Your total subscription fee is comprised of two components: a fee for your 1st site and a discounted fee for each additional site (if you have less than 10 sites). Determine your fees by the number of sites/office locations your agency operates and membership in your state homecare association. Members of associations recognized as HCIN partners receive member rates. For example, if you have four offices and you are a member of an HCIN partner association your total price for all four sites would be \$3,600, or an average of \$900 per site.
